

# David Morrow, Missioner

## In The Episcopal Diocese of the Dominican Republic

The Dominican Development Group  
March 19, 2019

Our fellow missionary David Morrow died on March 7, 2019, following an accidental fall on February 27. David lived his life as a true inspiration to others, leading by example. He worked to make the world a better place, in fact, he made it his mission. Today and every day there are countless numbers of people who have been positively impacted by David.

— Bill Kunkle, Executive Director, Dominican Development Group

In January 2019, David decided that his active work as a missionary in the Diocese of the Dominican Republic was coming to an end. To quote him in his email message to the DDG officers: "It has been a great ride." He had planned to attend the Dominican diocesan convention in early February 2019, but was not able to travel due to other obligations. During this convention, the Rt. Rev. Moisés Quezada Mota presented this award in recognition of all that he and his family had done to support the diocese and its many ministries over the past two decades. DDG Executive Director Bill Kunkle accepted the award on David's behalf.
