

The Kneelers at Christ Episcopal Church, Valdosta, Georgia

This order fits well. The six kneelers, numbers 1-4 and 15-16 are the older ones begun in 1968 and completed in 1971 to fit what is now the step beside the altar. The ten kneelers numbers 5-14 were stitched between 2010 and 2012 to fit the altar rail adding to the older ones in the same style.
